

Member To Do Checklist

Before February 28

All members:

- Update your contact information with us, if you haven't recently done so.
- Stay up-to-date on the upgrades by reading TruAlerts, e-newsletters, mailings and other information shared by TruChoice.
- Contact TruChoice if you have questions or concerns.

Debit and credit card users:

- Debit and credit will have adjusted limits March 1-3, so if you're planning a major purchase during this time, please contact us before February 28 at 207-772-0808 or trufcu@trufcu.com

Online and mobile banking users:

- Print out list of recurring payments and transfers.
- Print out a list of the alerts you have set up.

Bill pay users:

- Print out your payee account information (name, address and account number), payment history and future scheduled payments.

February 28

All members:

- Complete all in-branch transactions before 5 pm.

March 4

- Re-enroll in online banking, text banking and phone banking.

Mobile Banking users:

- Please check www.trufcu.com/StrongerTru to confirm when mobile banking is available for re-enrollment. Android and Apple must approve the new app, which should happen by March 8.

Bill pay users:

- Re-enter your payee account information and schedule future payments.
